STATE OF CONNECTICUT

Regulation
of

Department of Motor Vehicles

Fire Apparatus License Endorsement

Sections 14-36a-1 of the Regulations of Connecticut State Agencies is amended and the following is substituted in lieu thereof:

Each holder of a Class C Commercial license or Class D motor vehicle operator's license who operates or intends to operate any fire apparatus as authorized by the chief of the fire department, may apply to the commissioner for a special license endorsement, to be designated as a "Q" endorsement. The "Q" endorsement shall authorize the operation of any fire apparatus vehicle, including those with a gross vehicle weight rating of over twenty-six thousand [and one] pounds. No such endorsement shall be issued to any such person until he or she demonstrates personally to the commissioner, or the commissioner's designee, by means of testing in a representative vehicle [, as authorized by a chief of a fire department,] that he or she possesses the skills necessary [to] for such [operate] operation. [such fire apparatus vehicle.]

Each holder of a class A or B Commercial Driver's License may operate any fire apparatus vehicle. Should such holder downgrade a Class A or B Commercial Driver's License to a Class C commercial driver's license or Class D motor vehicle operator's license, a "Q" endorsement may be issued by the commissioner at the time of the downgrade, without further testing, upon authorization by the chief of the fire department employing the services of such license holder. Such authorization shall be evidenced in a manner prescribed by the commissioner.

Statement of Purpose:

Purpose: To clarify that an operator of fire apparatus with a gross vehicle weight of twenty-six thousand and one pounds or more, who does not possess a Class A or B commercial driver's license (CDL), may obtain a "Q" endorsement. The chief of the fire department employing the operator requesting the "Q" endorsement may authorize its issuance. Furthermore, a holder of a Class C CDL or Class D operator's license may obtain a "Q" endorsement. Lastly, if a holder of a Class A or B CDL downgrades such license to a Class C CDL or Class D operator's license, a "Q" endorsement may be issued, if authorized by the fire department chief.

Summary of Main Provisions:

See "Purpose" above.

Legal Effects of the Regulation:

License requirements will change by adding a "Q" endorsement for operators holding a Class C commercial driver's license or a Class D operator's license and exempting a holder of Class A or B commercial driver's license from having an endorsement for operation of fire apparatus.
