

**Testimony in favor of Proposed Bill No 6194
an act naming the bridge on the Route 72 Extension in Bristol in memory of CSM
Anthony V. Savino**

Good Morning Senator Maynard, Representative Guerrero and members of the Transportation Committee. My name is John Lodovico.

I'm here today to support the Bill naming the bridge on the new Route 72 extension in Bristol the CSM Anthony V. Savino Memorial Bridge.

I knew Anthony for over 40 years. He was an outstanding professional in his military career as he was in his private career.

The naming of this Bridge would be a great honor in his memory for his family and to the City of Bristol.

Thank you for your time.
