

You already know all the important reasons to extend Shoreline East to New London with regular service so I won't repeat!

Let's reduce the auto congestion and pollution and make our region easier to get around for everyone. a ride on the train is stress free compared to driving anywhere in CT on I-95. New London and Mystic are popular tourist destinations -- let's make folks WANT to come here because they can GET here by train! Go Shoreline East, all the way to New London!
