

Please allot for us travelers, both during the week & weekends the financial support for the Shoreline East train to travel ALL the way to New London.....its important those of us that are trying to get off the highways, save gas, money, road repairs, carbon emissions, etc....do I need to go on.....???

Thank you,

Sioux Mackey (Waterford)

"The bee may think she is plundering the flower, but it has cleverly manipulated her into hauling its pollen from blossom to blossom." ~ Michael Pollan
