

CHAMBER *of* COMMERCE
EASTERN CONNECTICUT

SB 122

March 2, 2012

To Whom It May Concern:

I write on behalf of the Chamber of Commerce of Eastern Connecticut in support of New London's effort to obtain financial support for a community center for the city. The city serves as the urban hub of the region.

In addition, the city is the host community in eastern Connecticut and contains a diverse population with a significant portion of affordable housing and not-for-profit organizations which serves the entire region. It is for this reason, and many others, that the city is in serious need of a community center that would be designed to serve the entire region.

Sincerely,

Tony Sheridan,
President & CEO
