

I am a Veterinarian and own 2 busy small animal hospitals in New haven County. I grew up on a dairy farm in Litchfield and it was there that I learned the joy of being outdoors. Fishing and hunting have been an important part of my life which I have passed on to my children. I work 6 days a week. My children are in school 5 days a week. Please pass this bill and give me the opportunity to spend more time in the outdoors with my family.

Sincerely,

Michael DunnVMD
