## ***ENERGY & TECHNOLOGY COMMITTEE***

March 15, 2012

The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 90% of Connecticut's population. We appreciate the opportunity to testify on bills of interest to towns and cities.

CCM supports Senate Bill 333 "*An Act Concerning the Membership of the Connecticut Resources Recovery Authority's Board of Directors.*"

SB 333 would increase municipal representation on the CRRA Board of Directors.

CRRA, and the functions it carries out, has a direct fiscal impact on the municipalities it serves and which are their primary customers. It is critical that those most impacted by CRRA's actions be provided greater input into the management of the organization.

CCM urges the Committee to favorably report SB 333.
