Note: GF=General Fund

Municipal Impact: None

Explanation

Extending the application period for the Elderly and Totally Disabled Rental Rebate program may result in additional costs to the Office of Policy and Management (OPM). The longer application period may result in additional applications to the program. The magnitude of these potential costs is unknown. If for example, this bill results in a 1% increase in applications, OPM may incur additional FY 13 costs of approximately \$235,000. In FY 12, 45,694 individuals received payments totaling \$23,365,948.

The Out Years

The annualized ongoing fiscal impact identified above would continue into the future subject to inflation and the number of additional people that apply for the program.
