Subject: Bill No. 5027

Dear Ms. Shea,

I recently received an alert regarding House Bill No. 5027. I believe the legislature attempted to remove the Board of Examiners a few years back but it was luckily shot down. I e-mailed representative Whit Betts and Senator Jason Welch with regard to this matter. Please consider those comments to be my testimony in this very important matter. In order to maintain the integrity of court reporting I feel it is important to have the Board of Examiners. We need to ensure that all court reporters working in Connecticut are qualified and meet the level of knowledge and experience that is required of our profession.

Again, thank you for your time and attention to this matter.

Sincerely,

Jacqueline McCauley
