**Subject:** Proposed changes to CT's Liquor Laws

TO WHOM IT MAY CONCERN: As Chair of TRUMBULL CARES: THE FIRST SELECTMAN'S PREVENTION COUNCIL (and the group responsible for Trumbull Public Schools earning one of DMHAS's UAD grants) we strongly support all efforts to reduce underage drinking by the youth of Trumbull.

Our organization strongly objects to the proposed changes to CT's liquor laws, as it is obvious that these changes only create more opportunities for our youth to obtain alcohol - while on the other hand huge amounts of money are being expended through DMHAS to do the exact opposite.

Please keep youth in mind as you ponder these changes.

Thank you, Mrs. Peggy Perillie, Chair  
TRUMBULL CARES: THE FIRST SELECTMAN'S  
PREVENTION COUNCIL
