AN ACT CONCERNING THE EQUAL TREATMENT OF RENTERS WITH MENTAL DISABILITIES

Dear Committee Members:

My name is Barbara Sloan. By the grace of G-d, I own my home. However, given the state of my mental and physical health, I might not if I had not inherited the means to buy it.

I urge you to PASS Senate Bill 94, which extends protections already given to people with purely physical disabilities to people who have mental disabilities.

In fact, mental disabilities are brain disorders, physical in basis.

Our state has an illustrious history of extending parity to those with mental disabilities. I hope you will continue this tradition by voting FOR Senate Bill 94.

Respectfully,

Barbara Sloan
