**RB 5012 AN ACT CONCERNING THE GUIDELINES ESTABLISHED BY THE
AMERICAN UROLOGICAL ASSOCIATION AND THE TREATMENT OF
PROSTATE CANCER.**

On behalf of the Connecticut Urology Society, representing over 90% of the urologists practicing in Connecticut we support RB5012 AN ACT CONCERNING THE GUIDELINES ESTABLISHED BY THE AMERICAN UROLOGICAL ASSOCIATION AND THE TREATMENT OF PROSTATE CANCER.

These guidelines are the generally accepted standard of care for the treatment of prostate cancer and the establishment of these guidelines into statute will provide a basis for consistency and continuity of care to those individuals in Connecticut battling prostate cancer.

We strongly encourage your support in establishing these guidelines for Connecticut Citizens.
