**H.B. No. 5013 (RAISED) AN ACT CONCERNING THE BOARD MEMBERS OF THE  
CONNECTICUT HEALTH INSURANCE EXCHANGE**

**February 14, 2012**

My name is William McGirr , 30 yr , resident of Stamford , realtor , father of 5. I am very concerned with the current composition of our State's Health Insurance Exchange Board. Currently it has at least 3 people with ties to the Insurance providers , which is in violation of the stated spirit expressed by State & Federal that the Board majority should be made up of Small Business & Consumers , [ who currently cannot avail themselves of Affordable Health Care].

Please add at least 2 consumer & 1 more small business persons , in addition to giving - the state Health Care Advocate a Voting position - this is recommended as essential to offset domination by provider people. You as Legislatures must insure that the Chief Executive Officer to be hired , Has a Record of Total Objectivity.

Thank you sincerely for your consideration.
