Subject: Concerning opposition to Bill 5155 AN ACT MODIFYING THE BAN ON PESTICIDE APPLICATIONS ON SCHOOL GROUNDS

Ms. Blancato:

I oppose Bill 5155: AN ACT MODIFYING THE BAN ON PESTICIDE APPLICATIONS ON SCHOOL GROUNDS. I support the 2005 pesticide ban on school grounds.

As the mother of two small children, who spend most of their waking hours on school grounds, I consider it a violation of my rights to send my children to a place that is surrounded with chemicals that are KNOWN to be harmful to their health. My children are in New Canaan public schools, and the state of Connecticut must always put the safety and health of our children above all other priorities.

I strongly urge you to keep the current pesticide ban of 2005 in place and put our children first!
