To the members of the Planning and Development Committee;  
CONCERNING OPPOSITION TO BILL 5155 an act of modifying the Ban on Pesticide applications on school grounds

I am relieved that toxic lawn pesticides are no longer used on Conn. school grounds. It is appalling that you would even consider involuntarily exposing my children to toxic lawn pesticides at schools. For the sake of all Connecticut's children, I urge you to reject this bill.

Respectfully,

Nancy K. Clow
