**To:** PHC Testimony  
**Subject:** State Lyme Task Force

I am responding to the state's request for public testimony regarding problems with Lyme testing and developing a State Lyme Task Force under House Bill 5335. I support improving Lyme Education and Research to better protect my family, friends and neighbors. My personal experience is with a close friend and husband who has struggled for many years with this disease.

Thank you for listening,

Sue Abacherli
