PUBLIC HEALTH COMMITTEE MEMBERS
Legislative Office Building, room _____
Hartford, CT 16106

My name is Paulcus Octave and I reside at
in new britain ct and dont have
healt insurance and realy need it cause
I Love ~~me~~ kids and love my life and it
fair that every one in coneticut should
have health insurance cause it's fair.

The purpose of this letter is to ask if you can help with my efforts in supporting the Raised SB.425 An Act Establishing a basic health program. This bill is a step in the right direction, but we will continue to move our efforts into free healthcare for everyone. This bill will help a certain portion of people who may not have healthcare.

Thank you for your time and considering my request.

Sincerely,
