6 Sec. 2. Section 22-81a of the general statutes is repealed and the
7 following is substituted in lieu thereof (*Effective from passage*):

8 The Connecticut Agricultural Experiment Station shall, within
9 available appropriations and in accordance with the provisions of this
10 chapter, conduct surveillance and testing for the existence of
11 mosquitoes carrying the eastern equine encephalitis virus in
12 accordance with a plan developed and agreed upon by the
13 Commissioner of Energy and Environmental Protection, the
14 Commissioner of Public Health and the director of the Connecticut
15 Agricultural Experiment Station. Such plan shall specify procedures to
16 assure that any expenditures for surveillance and testing shall be
17 reasonable and prudent. The director of the Connecticut Agricultural
18 Experiment Station or any person authorized by him to implement the
19 provisions of this section may, at any reasonable time, enter any public
20 or private premises in the performance of his duty.

21 Sec. 3. Section 17b-242a of the general statutes, as amended by
22 section 13 of public act 12-1 of the June 12 special session, is repealed
23 and the following is substituted in lieu thereof (*Effective from passage*):

24 The Commissioner of Social Services shall establish prior
25 authorization procedures under the Medicaid program for home
26 health services, physical therapy, occupational therapy and speech

27 therapy. The Commissioner of Social Services may contract with an
28 entity for administration of any such aspect of prior authorization or
29 may expand the scope of an existing contract with an entity that
30 performs utilization review services on behalf of the department. The
31 commissioner, pursuant to section 17b-10, may implement policies and
32 procedures necessary to administer the provisions of this section while
33 in the process of adopting such policies and procedures as regulations,
34 provided the commissioner prints notice of intent to adopt regulations
35 in the Connecticut Law Journal not later than twenty days after the
36 date of implementation. Policies and procedures implemented
37 pursuant to this section shall be valid until the time final regulations
38 are adopted.

39 Sec. 4. Subsection (d) of section 17b-239 of the 2012 supplement to
40 the general statutes, as amended by section 265 of public act 12-1 of the
41 June 12 special session, is repealed and the following is substituted in
42 lieu thereof (*Effective from passage*):

43 (d) The state shall also pay to such hospitals for each outpatient
44 clinic and emergency room visit a reasonable rate to be established
45 annually by the commissioner for each hospital, such rate to be
46 determined by the reasonable cost of such services. The emergency
47 room visit rates in effect June 30, 1991, shall remain in effect through
48 June 30, 1993, except those which would have been decreased effective
49 July 1, 1991, or July 1, 1992, shall be decreased. Nothing contained in
50 this subsection shall authorize a payment by the state for such services
51 to any hospital in excess of the charges made by such hospital for
52 comparable services to the general public. For those outpatient
53 hospital services paid on the basis of a ratio of cost to charges, the
54 ratios in effect June 30, 1991, shall be reduced effective July 1, 1991, by
55 the most recent annual increase in the consumer price index for
56 medical care. For those outpatient hospital services paid on the basis of
57 a ratio of cost to charges, the ratios computed to be effective July 1,
58 1994, shall be reduced by the most recent annual increase in the

59 consumer price index for medical care. The emergency room visit rates
60 in effect June 30, 1994, shall remain in effect through December 31,
61 1994. The Commissioner of Social Services shall establish a fee
62 schedule for outpatient hospital services to be effective on and after
63 January 1, 1995, and may annually modify such fee schedule if such
64 modification is needed to ensure that the conversion to an
65 administrative services organization is cost neutral to hospitals in the
66 aggregate and ensures patient access. Utilization [shall not] may be a
67 factor in determining cost neutrality for the fiscal year ending June 30,
68 2013. Except with respect to the rate periods beginning July 1, 1999,
69 and July 1, 2000, such fee schedule shall be adjusted annually
70 beginning July 1, 1996, to reflect necessary increases in the cost of
71 services. Notwithstanding the provisions of this subsection, the fee
72 schedule for the rate period beginning July 1, 2000, shall be increased
73 by ten and one-half per cent, effective June 1, 2001. Notwithstanding
74 the provisions of this subsection, outpatient rates in effect as of June 30,
75 2003, shall remain in effect through June 30, 2005. Effective July 1, 2006,
76 subject to available appropriations, the commissioner shall increase
77 outpatient service fees for services that may include clinic, emergency
78 room, magnetic resonance imaging, and computerized axial
79 tomography.

80 Sec. 5. Subsection (b) of section 17b-239e of the 2012 supplement to
81 the general statutes is repealed and the following is substituted in lieu
82 thereof (*Effective from passage*):

83 (b) The commissioner may establish a blended in-patient hospital
84 case rate that includes services provided to all Medicaid recipients and
85 may exclude certain diagnoses as determined by the commissioner if
86 the establishment of such rates is needed to ensure that the conversion
87 to an administrative services organization is cost neutral to hospitals in
88 the aggregate and ensures patient access. Utilization [shall not] may be
89 a factor in determining cost neutrality for the fiscal year ending June
90 30, 2013.

91 Sec. 6. Subsection (a) of section 17b-242 of the 2012 supplement to
92 the general statutes is repealed and the following is substituted in lieu
93 thereof (*Effective from passage*):

94 (a) The Department of Social Services shall determine the rates to be
95 paid to home health care agencies and homemaker-home health aide
96 agencies by the state or any town in the state for persons aided or
97 cared for by the state or any such town. For the period from February
98 1, 1991, to January 31, 1992, inclusive, payment for each service to the
99 state shall be based upon the rate for such service as determined by the
100 Office of Health Care Access, except that for those providers whose
101 Medicaid rates for the year ending January 31, 1991, exceed the median
102 rate, no increase shall be allowed. For those providers whose rates for
103 the year ending January 31, 1991, are below the median rate, increases
104 shall not exceed the lower of the prior rate increased by the most
105 recent annual increase in the consumer price index for urban
106 consumers or the median rate. In no case shall any such rate exceed the
107 eightieth percentile of rates in effect January 31, 1991, nor shall any rate
108 exceed the charge to the general public for similar services. Rates
109 effective February 1, 1992, shall be based upon rates as determined by
110 the Office of Health Care Access, except that increases shall not exceed
111 the prior year's rate increased by the most recent annual increase in the
112 consumer price index for urban consumers and rates effective
113 February 1, 1992, shall remain in effect through June 30, 1993. Rates
114 effective July 1, 1993, shall be based upon rates as determined by the
115 Office of Health Care Access except if the Medicaid rates for any
116 service for the period ending June 30, 1993, exceed the median rate for
117 such service, the increase effective July 1, 1993, shall not exceed one
118 per cent. If the Medicaid rate for any service for the period ending June
119 30, 1993, is below the median rate, the increase effective July 1, 1993,
120 shall not exceed the lower of the prior rate increased by one and one-
121 half times the most recent annual increase in the consumer price index
122 for urban consumers or the median rate plus one per cent. The
123 Commissioner of Social Services shall establish a fee schedule for home

124 health services to be effective on and after July 1, 1994. The
125 commissioner may annually modify such fee schedule if such
126 modification is needed to ensure that the conversion to an
127 administrative services organization is cost neutral to home health care
128 agencies and homemaker-home health aide agencies in the aggregate
129 and ensures patient access. Utilization [shall not] may be a factor in
130 determining cost neutrality for the fiscal year ending June 30, 2013. The
131 commissioner shall increase the fee schedule for home health services
132 provided under the Connecticut home-care program for the elderly
133 established under section 17b-342, effective July 1, 2000, by two per
134 cent over the fee schedule for home health services for the previous
135 year. The commissioner may increase any fee payable to a home health
136 care agency or homemaker-home health aide agency upon the
137 application of such an agency evidencing extraordinary costs related to
138 (1) serving persons with AIDS; (2) high-risk maternal and child health
139 care; (3) escort services; or (4) extended hour services. In no case shall
140 any rate or fee exceed the charge to the general public for similar
141 services. A home health care agency or homemaker-home health aide
142 agency which, due to any material change in circumstances, is
143 aggrieved by a rate determined pursuant to this subsection may,
144 within ten days of receipt of written notice of such rate from the
145 Commissioner of Social Services, request in writing a hearing on all
146 items of aggrievement. The commissioner shall, upon the receipt of all
147 documentation necessary to evaluate the request, determine whether
148 there has been such a change in circumstances and shall conduct a
149 hearing if appropriate. The Commissioner of Social Services shall
150 adopt regulations, in accordance with chapter 54, to implement the
151 provisions of this subsection. The commissioner may implement
152 policies and procedures to carry out the provisions of this subsection
153 while in the process of adopting regulations, provided notice of intent
154 to adopt the regulations is published in the Connecticut Law Journal
155 within twenty days of implementing the policies and procedures. Such
156 policies and procedures shall be valid for not longer than nine months.

157 Sec. 7. Subsection (a) of section 17b-261m of the 2012 supplement to
158 the general statutes is repealed and the following is substituted in lieu
159 thereof (*Effective from passage*):

160 (a) The Commissioner of Social Services may contract with one or
161 more administrative services organizations to provide care
162 coordination, utilization management, disease management, customer
163 service and review of grievances for recipients of assistance under
164 Medicaid, HUSKY Plan, Parts A and B, and the Charter Oak Health
165 Plan. Such organization may also provide network management,
166 credentialing of providers, monitoring of copayments and premiums
167 and other services as required by the commissioner. Subject to
168 approval by applicable federal authority, the Department of Social
169 Services shall utilize the contracted organization's provider network
170 and billing systems in the administration of the program. In order to
171 implement the provisions of this section, the commissioner may
172 establish rates of payment to providers of medical services under this
173 section if the establishment of such rates is required to ensure that any
174 contract entered into with an administrative services organization
175 pursuant to this section is cost neutral to such providers in the
176 aggregate and ensures patient access. Utilization [shall not] may be a
177 factor in determining cost neutrality for the fiscal year ending June 30,
178 2013.

179 Sec. 8. (NEW) (*Effective from passage*) (a) Customized wheelchairs
180 shall be covered under the Medicaid program only when a standard
181 wheelchair will not meet an individual's needs as determined by the
182 Department of Social Services. Assessment of the need for a
183 customized wheelchair may be performed by a vendor or nursing
184 facility only if specifically requested by the department. Wheelchair
185 repairs and parts replacements may be subject to review and approval
186 by the department. Refurbished wheelchairs, parts and components
187 shall be utilized whenever practicable.

188 (b) The commissioner, pursuant to section 17b-10 of the general

189 statutes, may implement policies and procedures necessary to
190 administer the provisions of this section while in the process of
191 adopting such policies and procedures as regulations, provided the
192 commissioner prints notice of intent to adopt regulations in the
193 Connecticut Law Journal not later than twenty days after the date of
194 implementation. Policies and procedures implemented pursuant to
195 this section shall be valid until the time final regulations are adopted.

196 Sec. 9. Section 17b-28e of the 2012 supplement to the general statutes
197 is repealed and the following is substituted in lieu thereof (*Effective*
198 *from passage*):

199 (a) The Commissioner of Social Services shall amend the Medicaid
200 state plan to include, on and after January 1, 2009, hospice services as
201 optional services covered under the Medicaid program. Said state plan
202 amendment shall supersede any regulations of Connecticut state

1031 satisfy a local matching requirement for any state assistance program

1032 other than the local bridge program established under sections 13a-
1033 175p to 13a-175u, inclusive. The municipality shall provide any other
1034 certification required by the secretary. The secretary shall authorize
1035 such grant if, in the secretary's opinion, the project meets the
1036 requirements set forth in this section and any other requirement
1037 imposed by the secretary and payment of such grant would not cause
1038 the local capital improvement account of the municipality, established
1039 under subsection (b) of this section, to be overdrawn. If a municipality
1040 fails to request payment within seven years of such authorization for a
1041 project, the secretary shall make no payment for such project unless
1042 the municipality requests and receives a waiver for such project on
1043 such terms and conditions as the secretary deems appropriate. On or
1044 before five years after the date of any such authorization and on or
1045 before six years after the date of any such authorization, the secretary
1046 shall notify, in writing, any municipality for which any such
1047 authorization has been made which notice shall indicate the time
1048 which has elapsed since such authorization and the date after which
1049 the secretary may not make payments for an authorized project.

1050 (g) Each municipality may apply to the secretary for expense
1051 reimbursement at the time it submits a local capital improvement
1052 project authorization request or any time after such authorization
1053 request has been approved by the secretary. The application for
1054 expense reimbursement shall be submitted on a form prescribed by the
1055 secretary and shall contain identification of the expenses for which
1056 reimbursement is sought and certification from the municipality that:
1057 (1) Expenditures for the project conform to the provisions of
1058 subdivision (4) of subsection (a) of this section and the municipality is
1059 entitled to the reimbursement requested in the application; and (2) the
1060 municipality agrees to maintain detailed accounting records of the
1061 project reflecting the expenditures for which reimbursement has been
1062 requested and to make such records available to its independent
1063 auditor and the state. The municipality shall provide any other
1064 certification required by the secretary. Not later than five business

1065 days after such certification, the Comptroller shall draw his or her
1066 order on the Treasurer, who shall pay the grant to the municipality.

1067 (h) Each municipality receiving a local capital improvement project
1068 grant under this section shall retain detailed accounting records of all
1069 expenses incurred relative to the local capital improvement project for
1070 which a grant is received for a period of not less than three years
1071 following the completion of such project. If the secretary determines
1072 that such records are not maintained or a review of such records
1073 indicates that such grant, or any portion thereof, was used for a
1074 purpose other than its intended purpose, the secretary shall provide
1075 written notification to the chief executive officer of the municipality of
1076 such finding. Upon issuing a finding under this section, the secretary
1077 may require the municipality to promptly pay to the state an amount
1078 equal to the amount of the grant or he may cause the amount of any
1079 future grant made under this section to be reduced by such amount.

1080 (i) On and after January 1, 2001, no municipality shall receive any
1081 financial assistance under this section for improvements to information
1082 technology systems to manage the century date change effect.

1083 (j) No municipality shall be eligible to receive financial assistance
1084 under this section for reimbursement of the cost of preparing a
1085 municipal plan of conservation and development, pursuant to section
1086 8-23, more than once in any ten-year calendar period.

1087 Sec. 48. Subsections (f) to (j), inclusive, of section 46b-140 of the 2012
1088 supplement to the general statutes are repealed and the following is
1089 substituted in lieu thereof (*Effective from passage and applicable to*
1090 *commitments and orders entered on or after said date*):

1091 (f) If the court further finds that its probation services or other
1092 services available to the court are not adequate for such child, the court
1093 shall commit such child to the Department of Children and Families in
1094 accordance with the provisions of section 46b-141. [Prior to making

1095 such commitment, the court shall consult with the department to
1096 determine the placement which will be in the best interest of such
1097 child.]

1098 (g) Any child or youth coming within the jurisdiction of the court,
1099 who is found to be mentally ill, may be committed by said court to the
1100 Commissioner of Children and Families and, if the court convicts a
1101 child as delinquent and finds such child to be mentally deficient, the
1102 court may commit such child to an institution for mentally deficient
1103 children or youth or delinquents. No such commitment may be
1104 ordered or continued for any child who has attained the age of twenty.
1105 Whenever it is found that a child convicted as delinquent or adjudged
1106 to be a member of a family with service needs would benefit from a
1107 work-study program or employment with or without continued school
1108 attendance, the court may, as a condition of probation or supervision,
1109 authorize such child to be employed for part or full-time at some
1110 useful occupation that would be favorable to such child's welfare, and
1111 the probation officer shall supervise such employment. For the
1112 purposes of this section, the limitations of subsection (a) of section 31-
1113 23 on the employment of minors under the age of sixteen years shall
1114 not apply for the duration of such probation or supervision.

1115 (h) Whenever the court commits a child to the Department of
1116 Children and Families, there shall be delivered with the mittimus a
1117 copy of the results of the investigations made as required by section
1118 46b-134. The court may, at any time, require from the department in
1119 whose care a child has been placed such report as to such child and
1120 such child's treatment.

1121 (i) If the delinquent act for which the child is committed to the
1122 Department of Children and Families is a serious juvenile offense, the
1123 court may set a minimum period of twelve months during which the
1124 child shall be placed in a residential facility operated by or under
1125 contract with said department, as determined by the Commissioner of
1126 Children and Families. No such commitment may be ordered or

1127 continued for any child who has attained the age of twenty. The setting
 1128 of such minimum period shall be in the form of an order of the court
 1129 included in the mittimus. For good cause shown in the form of an
 1130 affidavit annexed thereto, the Department of Children and Families,
 1131 the parent or guardian of the child or the child may petition the court
 1132 for modification of any such order.

1133 (j) Except as otherwise provided in this section, the court may order
 1134 that a child be (1) committed to the Department of Children and
 1135 Families and, after consultation with said department, the court may
 1136 order that the child be placed directly in a residential facility within
 1137 this state and under contract with said department, or (2) committed to
 1138 the Commissioner of Children and Families for placement by the
 1139 commissioner, in said commissioner's discretion, (A) with respect to
 1140 the juvenile offenders determined by the Department of Children and
 1141 Families to be the highest risk, in the Connecticut Juvenile Training
 1142 School, if the juvenile offender is a male, or in another state facility,
 1143 presumptively for a minimum period of twelve months, or (B) in a
 1144 private residential or day treatment facility within or outside this state,
 1145 or (C) on parole. No such commitment may be ordered or continued
 1146 for any child who has attained the age of twenty. The commissioner
 1147 shall use a risk and needs assessment classification system to ensure
 1148 that male children who are in the highest risk level will be placed in
 1149 the Connecticut Juvenile Training School.
