AN ACT CONCERNING DEDUCTIBLES AND GUIDELINES FOR COLONOSCOPIES.

Be it enacted by the Senate and House of Representatives in General Assembly convened:

Section 1. Section 38a-492k of the 2012 supplement to the general statutes is repealed and the following is substituted in lieu thereof (Effective January 1, 2013):

(a) Each individual health insurance policy providing coverage of the type specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-469 delivered, issued for delivery, amended, renewed or continued in this state shall provide coverage for colorectal cancer screening, including, but not limited to, (1) an annual fecal occult blood test, and (2) colonoscopy, flexible sigmoidoscopy or radiologic imaging, in accordance with the recommendations established by the American College of Gastroenterology, [after consultation with] the American Cancer Society [and] or the American College of Radiology, based on the ages, family histories and frequencies provided in the recommendations. Except as specified in subsection (b) of this section, benefits under this section shall be subject to the same terms and conditions applicable to all other benefits under such policies.
(b) No such policy shall impose: [a]

(1) A deductible for a procedure that a physician initially
undertakes as a screening colonoscopy or a screening sigmoidoscopy;
or

(2) A coinsurance, copayment, deductible or other out-of-pocket
expense for any additional colonoscopy ordered in a policy year by a
physician for an insured. The provisions of this [subsection]
subsection shall not apply to a high deductible health plan as that
term is used in subsection (f) of section 38a-493.

Sec. 2. Section 38a-518k of the 2012 supplement to the general
statutes is repealed and the following is substituted in lieu thereof
(Effective January 1, 2013):

(a) Each group health insurance policy providing coverage of the
type specified in subdivisions (1), (2), (4), (11) and (12) of section 38a-
469 delivered, issued for delivery, amended, renewed or continued in
this state shall provide coverage for colorectal cancer screening,
including, but not limited to, (1) an annual fecal occult blood test, and
(2) colonoscopy, flexible sigmoidoscopy or radiologic imaging, in
accordance with the recommendations established by the American
College of Gastroenterology, [after consultation with] the American
Cancer Society [and] or the American College of Radiology, based on
the ages, family histories and frequencies provided in the
recommendations. Except as specified in subsection (b) of this section,
benefits under this section shall be subject to the same terms and
conditions applicable to all other benefits under such policies.

(b) No such policy shall impose: [a]

(1) A deductible for a procedure that a physician initially
undertakes as a screening colonoscopy or a screening sigmoidoscopy;
or

(2) A coinsurance, copayment, deductible or other out-of-pocket
expense for any additional colonoscopy ordered in a policy year by a physician for an insured. The provisions of this subsection shall not apply to a high deductible health plan as that term is used in subsection (f) of section 38a-520.

This act shall take effect as follows and shall amend the following sections:
