231 awarding authority to be the most advantageous to the state, in
232 accordance with the criteria set forth in the request for proposals,

233 including price and evaluation factors. Notwithstanding any provision
234 of the general statutes to the contrary, each state agency awarding a
235 contract through competitive negotiation shall include price as an
236 explicit factor in the criteria in the request for proposals and for the
237 contract award. In considering past performance of a bidder for the
238 purpose of determining the "lowest responsible qualified bidder" or
239 the "highest scoring bidder in a multiple criteria bid", the
240 commissioner shall evaluate the skill, ability and integrity of the
241 bidder in terms of the bidder's fulfillment of past contract obligations
242 and the bidder's experience or lack of experience in delivering
243 supplies, materials, equipment or contractual services of the size or
244 amount for which bids have been solicited. In determining the lowest

246 commissioner may give a price preference of up to ten per cent for (A)

252 reuse, or for use in the manufacture or assembly of another package or

254 available to at least seventy-five per cent of the state's population,
255 "remanufactured" means restored to its original function and thereby
256 diverted from the solid waste stream by retaining the bulk of
257 components that have been used at least once and by replacing
258 consumable components and "remanufacturing" means any process by

262 equipment to convert such motor vehicles allowing the vehicles to be
263 powered by either the exclusive use of clean alternative fuel or dual
264 use of a clean alternative fuel and a fuel other than a clean alternative
265 fuel. As used in this subsection, "clean alternative fuel" shall mean

267 purchase of goods or services from micro businesses. As used in this
268 subsection, "micro business" means a business with gross revenues not

273 state. If any such bidder refuses to accept, within ten days, a contract
274 awarded to such bidder, such contract may be awarded to the next
275 lowest responsible qualified bidder or the next highest scoring bidder
276 in a multiple criteria bid, whichever is applicable, and so on until such
277 contract is awarded and accepted. If any such proposer refuses to
278 accept, within ten days, a contract awarded to such proposer, such
279 contract shall be awarded to the next most advantageous proposer,
280 and so on until the contract is awarded and accepted. There shall be a
281 written evaluation made of each bid. This evaluation shall identify the
282 vendors and their respective costs and prices, document the reason
283 why any vendor is deemed to be nonresponsive and recommend a
284 vendor for award. A contract valued at one million dollars or more
285 shall be awarded to a bidder other than the lowest responsible
286 qualified bidder or the highest scoring bidder in a multiple criteria bid,
287 whichever is applicable, only with written approval signed by the
288 Commissioner of Administrative Services and by the Comptroller. The
289 commissioner shall [submit to the joint standing committee of the
