Testimony of Department of Motor Vehicles

Transportation Committee Public Hearing

March 5, 2012

H.B. No. 5371 (RAISED) AN ACT CONCERNING DRIVERS' SCHOOLS, to streamline Department of Motor Vehicles' services and reduce costs by renewing drivers' school instructors' licenses biennially instead of annually.

Senator Maynard, Representative Guerrero, Senator Boucher, Representative Scribner and other members of the Transportation Committee. Thank you for the opportunity to testify in support of HB 5371, AN ACT CONCERNING DRIVERS' SCHOOLS.

This bill would change the license and license renewal period for driver school instructors from one year to two years. It would also adjust the license fees accordingly from \$50 per year to \$100 every two years for an instructor and from \$100 per year to \$200 every two years for a master instructor.

This change is in line with the Department's efforts in recent years to have similar license renewals occur every two years as opposed to annually and assist the Department in reducing costs.

Thank you again for allowing me to testify on this bill.
