

Raised Bill No. 5458

February Session, 2012

LCO No. 1836

01836 _____ TRA

To the Committee on Transportation

**AN ACT CONCERNING MUNICIPAL AUTOMATED TRAFFIC ENFORCEMENT
SAFETY DEVICES AT CERTAIN INTERSECTIONS.**

AMEND TO READ:

Section 2 d-(1) The driver. . . (2) the state proves that the . . . (4). . . are mailed instead to the law peace officer investigating the violation as additional evidence. . .

In my opinion, it is the burden of the state to prove who committed the violation and not to punish the owner otherwise.

Also, I believe sudden stops at red lights may cause accidents. Moreover, I believe government is overstepping its bounds, and does not have the power to act under the Declaration of Independence and The Constitution, including the Bill of Rights. *this way*
