PROJECT DELIVERY."***

---

1 Strike subsection (c) of section 5 in its entirety and substitute the  
2 following in lieu thereof:

3 (c) Any project labor agreement required by a public entity  
4 pursuant to this section shall: (1) Set forth mutually binding  
5 procedures for resolving disputes that can be implemented without  
6 delay; (2) include guarantees against a strike, lockout or other  
7 concerted action aimed at slowing or stopping the progress of a public  
8 works project; (3) ensure a reliable source of skilled and experienced  
9 labor; (4) include goals for the number of apprentices and for a  
10 percentage of work to be performed by minorities, women and  
11 veterans; (5) invite all contractors to bid on the project without regard  
12 to whether the employees of any such contractor are members of a  
13 labor organization, as defined in section 31-101 of the general statutes;  
14 (6) permit the selection of the lowest responsible qualified bidder

15 without regard to labor organization affiliation; (7) not require  
16 compulsory labor organization membership of employees working on  
17 the project or require a contractor or subcontractor to pay agency fees  
18 to any labor organization; and (8) bind all contractors and  
19 subcontractors to the terms of the agreement.
