TESTIMONY BEFORE THE ENERGY & TECHNOLOGY COMMITTEE
RE: SUPPORT SB 447: AN ACT MODERNIZING THE STATE'S
TELECOMMUNICATIONS LAWS

To Whom It May Concern:

I am contacting you today to urge your support of Senate Bill 447. As the President of the Stamford Chamber of Commerce, I focus on strengthening and unifying the Stamford business community efforts to provide the best living and working environment for our citizens. I believe the telecommunications modernization act is a great opportunity to enhance our local economy, create jobs and draw outside investment. SB 447 will save telecom companies capital by eliminating tariffs, allowing them to redistribute that money toward improving network technology and hiring new employees. It will foster a better atmosphere for local businesses and drive healthy competition. I urge you to support this bill for the good of our community and for Connecticut's economy.

Sincerely,
