JUDICIARY COMMITTEE

March 19, 2012

The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 90% of Connecticut's population. We appreciate the opportunity to testify on bills of interest to towns and cities.

H.B. 5489, "An Act Concerning Abatement of A Public Nuisance"

CCM supports this bill.

This bill would, among other things, grant towns and cities the authority to abate public nuisances in situations where there has been illegal and highly problematic activity.

H.B. 5489 would be of assistance to towns and cities in combating violence and troubling behavior, making communities safer.

CCM urges the Committee to favorably report this important bill.
