109 Sec. 2. (NEW) (*Effective October 1, 2012*) (a) On or before July 1, 2013,
110 each producer in the state shall join the council and such council shall
111 submit a plan, for the commissioner's approval, to establish a state-
112 wide mattress stewardship program, as described in this subsection.
113 Any retailer may be a member of such organization. Such mattress
114 stewardship program shall, to the extent it is technologically feasible
115 and economically practical: (1) Minimize public sector involvement in
116 the management of discarded mattresses; (2) provide for the free,
117 convenient and accessible state-wide collection of discarded

118 mattresses; (3) provide for producer-financed end-of-life management
119 for discarded mattresses; (4) provide suitable storage containers at
120 permitted municipal transfer stations for segregated, discarded
121 mattresses, at no cost to such municipality provided the municipal
122 transfer station makes space available for such purpose and imposes
123 no fee for placement of such storage container on its premises; and (5)
124 include a fee that is sufficient to cover the costs of operating the
125 program.

126 (b) The plan submitted pursuant to subsection (a) of this section
127 shall: (1) Identify each producer participating in the program; (2)
128 describe the fee structure for the program; (3) establish performance
129 goals for the first two years of the program; (4) identify proposed
130 facilities to be used by the program; (5) detail how the program will
131 promote the recycling of discarded mattresses; and (6) include a
132 description of the public education program.

133 (c) The council shall be a nonprofit organization with a fee structure
134 that covers, but does not exceed, the costs of developing the plan
135 described in subsection (b) of this section, operating the program
136 described in subsection (a) of this section, and maintaining a financial
137 reserve sufficient to operate the program over a multi-year period of
138 time in a fiscally prudent and responsible manner. The council shall
139 maintain all records relating to the program for a period of not less
140 than three years.

141 (d) Pursuant to the program, recycling shall be preferred over any
142 other disposal method to the extent that recycling is technologically
143 feasible and economically practical.

144 (e) The commissioner shall approve the plan for the establishment
145 of the mattress stewardship program, provided such plan reasonably
146 meets the requirements of this section. Not later than ninety days after
147 submission of the plan pursuant to this section, the commissioner shall
148 make a determination whether to approve the plan. Prior to making
149 such determination, the commissioner shall post the plan on the

150 department's Internet web site and solicit public comments on the
151 plan. Such solicitation shall not be conducted pursuant to chapter 54 of
152 the general statutes. In the event that the commissioner does not
153 approve the plan, the commissioner shall describe the reasons for the
154 disapproval in a notice of determination that the commissioner shall
155 provide to the council. The council shall revise and resubmit the plan
156 to the commissioner not later than forty-five days after receipt of notice
157 of the commissioner's disapproval notice. Not later than forty-five
158 days after receipt of the revised plan, the commissioner shall review
159 and approve or disapprove the revised plan. The council may resubmit
160 a revised plan to the commissioner for approval on not more than two
161 occasions. If the council fails to submit a plan that is acceptable to the
162 commissioner, the commissioner shall modify a submitted plan and
163 approve it. Not later than sixty days after the approval of a plan
164 pursuant to this section, the council shall implement the mattress
165 stewardship program.

166 (f) (1) The council shall notify the commissioner whenever there is a
167 proposed substantial change to the program. For the purposes of this
168 subdivision, "substantial change" shall include, but not be limited to, a
169 change in: (A) The program's fee structure, (B) processing facilities to
170 be used for discarded mattresses collected pursuant to the program,
171 and (C) the system for collecting mattresses.

172 (2) Not later than October 1, 2015, the council shall submit updated
173 performance goals to the commissioner that are based on the
174 experience of the program during the first two years of the program.

175 (g) The council shall notify the commissioner of any other changes
176 to the program on an ongoing basis, whenever they occur, without
177 resubmission of the plan to the commissioner for approval. Such
178 changes shall include, but not be limited to, a change in the
179 membership of the council.

180 (h) On or before July 1, 2013, and every two years thereafter, the
181 council shall propose a uniform fee for all mattresses sold in this state.

182 The council may propose a change to the uniform fee more frequently
183 than once every two years if the council determines such change is
184 needed to avoid funding shortfalls or excesses. Any proposed fee shall
185 be reviewed by an auditor to assure that such assessment does not
186 exceed the costs of the mattress stewardship program described in
187 subsection (a) of this section and to maintain financial reserves
188 sufficient to operate the program over a multi-year period in a fiscally
189 prudent and responsible manner. The auditor shall recommend an
190 amount for such fee to the department. The department shall be
191 responsible for the approval of such fee. Such auditor shall be selected
192 by the council. The cost of any work performed by such auditor
193 pursuant to the provisions of this subsection and subsection (k) of this
194 section shall be funded by the fee described in this subsection.

195 (i) On and after the implementation of the mattress stewardship
196 program, the fee, established pursuant to subsection (a) of this section
197 and described in subsection (h) of this section, shall be added to the
198 cost of all mattresses sold to retailers and distributors in this state by
199 each producer. On and after such implementation date, each retailer or
200 distributor, as applicable, shall add the amount of such fee to the
201 purchase price of all mattresses sold in this state. The council may
202 establish an alternative, practicable means of collecting or remitting
203 such fee.

204 (j) Not later than October fifteenth of each year, the council shall
205 submit an annual report to the commissioner, on a form prescribed by
206 the commissioner. The commissioner shall post such annual report on
207 the department's Internet web site. Such report shall include: (1) The
208 tonnage of mattresses collected pursuant to the program from: (A)
209 Municipal transfer stations, (B) retailers, and (C) all other covered
210 entities; (2) the tonnage of mattresses diverted for recycling; (3) the
211 weight of discarded mattresses recycled, as indicated by the weight of
212 each of the commodities sold to secondary markets; (4) the weight of
213 mattresses, or parts thereof, sent for disposal at each of the following:
214 (A) Waste-to-energy facilities, (B) landfills, and (C) any other facilities;
215 (5) public education materials and methods used to support the

216 program; (6) an evaluation of the effectiveness of methods and
217 processes used to achieve performance goals of the program; (7)
218 recommendations for any changes to the program; and (8) any other
219 relevant public information requested by the commissioner, provided
220 such request does not require the disclosure of any proprietary trade
221 or business secret.

222 (k) Two years after the implementation of the program and upon
223 the request of the commissioner but not more frequently than once a
224 year, the council shall cause an audit of the program to be conducted
225 by the auditor described in subsection (h) of this section. Such audit
226 shall review the accuracy of the council's data concerning the program
227 and provide any other information requested by the commissioner.
228 Such audit shall be paid for by the council. The council shall maintain
229 all records relating to the program for not less than three years.

230 (l) The council may conduct research related to improving the
231 efficiency of used mattress collection, dismantling and recycling
232 operations, including pilot programs to test new processes, methods or
233 equipment. The costs of such research may be included in calculating
234 the amount of the fee authorized by this section.

235 Sec. 3. (NEW) (*Effective July 1, 2013*) (a) Retailers may provide
236 information to consumers regarding recycling facilities and companies
237 that collect or recycle mattresses and may serve as voluntary collection
238 sites for mattresses pursuant to the program.

239 (b) No covered entity that participates in the program shall charge
240 for receipt of mattresses generated in the state. Covered entities may
241 charge a fee for providing the service of collecting mattresses and may
242 restrict the acceptance of mattresses by number, source or physical
243 condition.

244 Sec. 4. (NEW) (*Effective October 1, 2012*) Not later than three years
245 after the approval of the plan pursuant to section 2 of this act, the
246 commissioner shall submit a report, in accordance with section 11-4a
247 of the general statutes, to the joint standing committee of the General

248 Assembly having cognizance of matters relating to the environment.
249 Such report shall provide an evaluation of the mattress stewardship
250 program, establish a goal for the amount of discarded mattresses
251 managed under the program and a separate goal for the recycling of
252 such mattresses, taking into consideration technical and economic
253 feasibilities.

254 Sec. 5. (NEW) (*Effective October 1, 2012*) Each producer and the
255 council shall be immune from liability for any claim of a violation of
256 antitrust law or unfair trade practice, if such conduct is a violation of
257 antitrust law, to the extent such producer or council is exercising
258 authority pursuant to the provisions of sections 1 to 7, inclusive, of this
259 act.

260 Sec. 6. (NEW) (*Effective October 1, 2012*) (a) The commissioner may
261 seek civil enforcement of the provisions of sections 2 and 3 of this act
262 pursuant to chapter 439 of the general statutes.

263 (b) Whenever, in the judgment of the commissioner, any person has
264 engaged in or is about to engage in any act, practice or omission that
265 constitutes, or will constitute, a violation of any provision of section 2
266 or 3 of this act, the Attorney General may, at the request of the
267 commissioner, bring an action in the superior court for the judicial
268 district of New Britain for an order enjoining such act, practice or
269 omission. Such order may require remedial measures and direct
270 compliance. Upon a showing by the commissioner that such person
271 has engaged in or is about to engage in any such act, practice or
272 omission, the court may issue a permanent or temporary injunction,
273 restraining order or other order, as appropriate.

274 (c) Any action brought by the Attorney General pursuant to this
275 section shall have precedence in the order of trial as provided in
276 section 52-191 of the general statutes.

277 Sec. 7. (NEW) (*Effective October 1, 2012*) In the event that another
278 state implements a mattress recycling program, the council may
279 collaborate with such state to conserve efforts and resources used in

280 carrying out the mattress stewardship program, provided such
281 collaboration is consistent with the requirements of sections 1 to 6,
282 inclusive, of this act."
