Subject: Concerning opposition to Bill 5155 AN ACT MODIFYING THE BAN ON PESTICIDE APPLICATIONS ON SCHOOL GROUNDS

Ms. Blancato:

So many have worked so hard for the legislation to take some small measure to protect our children. Now, of course, pesticide companies are fighting to maintain their business as usual, blanketing the green spaces around schools with toxic concoctions that are totally unnecessary. Please do the right thing and prevent this subversion of a progressive, sensible law!
