Subject: Concerning opposition to Bill 5155 AN ACT MODIFYING THE BAN ON PESTICIDE APPLICATIONS ON SCHOOL GROUNDS

I would like to express my opposition to H.B. 5155, AN ACT MODIFYING THE BAN ON PESTICIDE APPLICATIONS ON SCHOOL GROUNDS. This bill is a blatant ploy by the pesticide industry to circumvent established law and enable the use of toxic chemicals on schools and playgrounds. Our children's health is more important than bowing to pressure by an industry that pollutes our environment and contributes to increasing the toxic burden of all people, especially children.

Sincerely,

Elizabeth Fleming
