Subject: Bill 5155 — "AN ACT MODIFYING THE BAN ON PESTICIDE APPLICATIONS ON SCHOOL GROUNDS"

Dear Allison Blancato,

Don't let this bill pass. Chemical pesticides should be ban all together as they not only harm the environment but also our health. I can't believe that the pesticide industry wants to step backwards in our progress to a pesticide free world. Please, help us, don't let them poison our children. We, the parents of those children, would really appreciate it.

Thank you.

Sincerely,
Maria CoC
