EXPLANATION OF FEDERAL IMPACT OF REGULATION:

The purpose of this fiscal note is to delete obsolete sections of the Uniform Policy Manual (UPM) regarding the CT Energy Assistance Program and the Individual Family Grant Program. These two programs are no longer administered by the Department. UPM sections 8025 to 8025.70, inclusive, 8099.20 and 8099.25 regarding these two programs would be removed. Responsibility for the CT Energy Assistance Program was transferred from the Department of Social Services to the Community Action Agencies several years ago and section 8099.20, regarding verification of eligibility, was inadvertently not deleted from the UPM. Responsibility for the Individual Family Grant Program was transferred from the Department of Social Services to the Department of Emergency Management and Homeland Security pursuant to section 28-9d of the CT General Statutes.

FINANCIAL IMPACT:

The effect of the regulation is to update the UPM by deleting obsolete sections for programs that the Department no longer administers. As such, no financial impact is expected.

MUNICIPAL IMPACT: None.
