

Summary of Revisions Identified by Paragraph

(NEW) Sec. 9-174a-1. Emergency Contingency Model Plan for Elections

Replaced "X" with section numbering.

(NEW) Sec. 9-174a-2. Preparation of voting tabulator machines

Replaced "X" with section numbering. Pluralized the word "section".

(NEW) Sec. 9-174a-3. Replacement pool of poll workers

Replaced "X" with section numbering. Changed passive voice to active voice. Replaced "no" with "not" for consistency.

(NEW) Sec. 9-174a-4. Communication with registrars of voters

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Added language restating the communication provisions.

(NEW) Sec. 9-174a-5. Alternate polling locations

Replaced "X" with section numbering.

(NEW) Sec. 9-174a-6. Fire safety compliance

Replaced "X" with section numbering.

(NEW) Sec. 9-174a-7. Contact Information

Replaced "X" with section numbering. Changed title of section from "Emergency Contingency Plan" to "Contact Information." Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written plan. Changed passive voice to active voice and clarified that the registrars of voters shall create a list of contact information, including each of the listed items. Clarified that the contact information for poll workers should include information for replacement poll workers. Added the word "section." To avoid repetition, removed items that are already provided for in other sections of the regulations. Renumbered the items in the list.

(NEW) Sec. 9-174a-8. Information provided to public officials

Replaced "X" with section numbering. Changed passive voice to active voice and clarified that the list shall include each of the listed items. Removed the word "the."

(NEW) Sec. 9-174a-9. Final review of plan with moderator

Replaced "X" with section numbering. Added the word "section." Replaced reference to "section 9-174a-7" with "sections 9-174a-2 to 9-174a-34," because it is the whole plan that is being reviewed with the moderator.

(NEW) Sec. 9-174a-10. Spare ballots

Replaced "X" with section numbering. Changed passive voice to active voice. Moved language to this section directing the registrars of voters or such registrar's designee to

ensure that any available copy machines at polling locations are accessible and working and to print a few test copies to check that ballots are printing properly.

(NEW) Sec. 9-174a-11. Emergency provisions

Replaced "X" with section numbering. Changed "Sections" to lowercase.

(NEW) Sec. 9-174a-12. Review of polling locations

Replaced "X" with section numbering. Renamed section for clarity. Changed "one day prior" to "not later than one day prior." Added language directing the registrars of voters to visit each polling location to ensure it is accessible and all materials are in proper working order.

(NEW) Sec. 9-174a-13. Severe weather alert

Replaced "X" with section numbering. Changed "one day prior" to "not later than one day prior." Changed passive voice to active voice.

(NEW) Sec. 9-174a-14. Moderator duties prior to opening

Replaced "X" with section numbering. Changed "no" to "not" and "an" to "one" for consistency. Clarified that each action in the list shall be performed. Changed "Sections" to lowercase. Changed passive voice to active voice. Clarified that certain actions should be performed only if time and conditions permit. Removed three items from list of moderator's duties prior to opening.

(NEW) Sec. 9-174a-15. Report of any execution of the Emergency Contingency Plan

Replaced "X" with section numbering.

(NEW) Sec. 9-174a-16. Unavailable polling location

Replaced "X" with section numbering. Clarified that each action in the list must be performed. Added the word "section." Added the word "other" for clarity. Added the words "primary or referenda" for consistency.

(NEW) Sec. 9-174a-17. Accounting of remaining ballots

Replaced "X" with section numbering. Added the word "section".

(NEW) Sec. 9-174a-18. Ballot shortage

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified procedure for ballot shortages. The moderator shall either print additional ballots using the onsite copier if available or have additional ballots printed at an offsite document printing facility. The moderator shall also request additional paper ballots from the registrars of voters. Renumbered.

(NEW) Sec. 9-174a-19. Voting tabulator machine malfunction

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written

procedure. Clarified that the registrars of voters shall incorporate the provisions of section 9-242a-12 and section 9-242a-16 of the Regulations of Connecticut State Agencies into the written procedure. The moderator shall follow the written procedure.

(NEW) Sec. 9-174a-20. Help America Vote Act compliant voting machine malfunction

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-21. Shortage or absence of poll workers

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-22. Absence of moderator

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that the present poll workers shall perform each of the listed actions. Clarified that the present poll workers must notify the registrars of voters.

(NEW) Sec. 9-174a-23. Replacement of moderator

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed. Replaced "ask" with "tell."

(NEW) Sec. 9-174a-24. Poll worker replacement

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-25. Long lines at polling location

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-26. Evacuation procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written

procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed. Changed the word "Section" to lowercase.

(NEW) Sec. 9-174a-27. Loss of power at the polling location

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-28. Medical emergency procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-29. Smoke, fire or active alarm procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed. Changed the word "Section" to lowercase.

(NEW) Sec. 9-174a-30. Gas leak procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Clarified that each action in the list shall be performed.

(NEW) Sec. 9-174a-31. Disorder at the polling location procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Changed the word "Section" to lowercase.

(NEW) Sec. 9-174a-32. Disaster procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Removed the provision requiring any changes to the local Emergency Plan of Operations in order to comply with sections 9-174a-1 to 9-174a-34 of the Regulations of Connecticut State Agencies to be included in the annual submission as required by state law. Removed the provision requiring the registrars of voters to update the disaster procedure, because they will instead be following the procedures from the local Emergency Plan of Operations.

(NEW) Sec. 9-174a-33. Security threat procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written

procedure. Changed passive voice to active voice. Removed the provision requiring any changes to the local Emergency Plan of Operations in order to comply with sections 9-174a-1 to 9-174a-34 of the Regulations of Connecticut State Agencies to be included in the annual submission as required by state law. Removed the provision requiring the registrars of voters to update the security threat procedure, because they will instead be following the procedures from the local Emergency Plan of Operations.

(NEW) Sec. 9-174a-34. Nuclear disaster procedure

Replaced "X" with section numbering. Since this section functions as part of the model procedure, removed language directing registrars of voters to develop a written procedure. Changed passive voice to active voice. Removed the provision requiring the registrars of voters to update the nuclear disaster procedure, because they will instead be following the procedures from the Radiological Emergency Preparedness Unit.
