

Small Business Impact Statement

Prior to adopting a new section or amendment, Section 4-168a of the Connecticut General Statutes (C.G.S.) requires that each state agency consider the effect of such action on small businesses as defined in C.G.S. Section 4-168a directs the agency to consider regulatory requirements that will minimize the adverse impacts on small businesses if the addition of such requirements (1) will not interfere with the intended objectives of the regulatory action and (2) will allow the new section or amendment to remain consistent with public health, safety and welfare.
