Re: Fiscal Note for Emergency Regulations – Firewood Importation, Sections 22-84-5d,
22-84-5g

The Office of Fiscal Analysis has reminded me that a fiscal note is required to be on file for the aforementioned emergency regulations. In this memorandum, I state that The Connecticut Agricultural Experiment Station will not be expending additional resources (i.e., funds or positions) to carry out its duties concerning enforcement or implementation of these regulations. Moreover, municipalities will not experience any fiscal impact from the adoption of these regulations. Thank you.
