Appropriations Committee

**H.B. No. 6350 AN ACT CONCERNING THE BUDGET FOR THE BIENNIUM ENDING JUNE 30, 2015 AND
OTHER PROVISIONS RELATING TO REVENUE**

February 15, 2013

My name is Emily Angeloff. I am an office assistant at horizons since May 2011. I started off as a school student around 2010. I am very grateful that they got me my first job ever. I learned how to enter data, copy, alphabetize, and many other office tasks

I know that without my coaches, and horizons, I would not have been able to experience work. I also am very grateful that a lot of people know sign language because that is my primary communication at home.

Weekends in the country is also fun because you get to be social and meet new friends. I was given the opportunity to translate and perform the song I believe I can fly in sign language. I performed this at the dedication of the new employment and education center. Senator Don Williams and Representative Susan Johnson were present for the event.

Without horizons I wouldn't have been presented with all these opportunities.
Are there any questions?
