

Testimony for the SUBCOMMITTEE on HEALTH AND HOSPITALS

Good Afternoon to co-chairs Sen. Terry Gerratana, and Rep. Patricia Dillon, and to the Senators and Representatives of the Committee:

My name is Justin Sherman. Inclusion teaming has given me a place where I'm accepted and I can say what I feel. Kids have an opportunity to express what's on their minds without having to worry about getting bullied for it. You have an opportunity to learn about others and others learn about you. I like how everyone works together to express their ideas on how to better the program. The thing I like most is getting the opportunity to speak. I don't like holding back and inclusion allows me to speak my mind. Without this program I wouldn't have anyone to talk to because no one else seems to care in this world. I look forward to this program growing and getting the money that it rightfully deserves.

Respectfully Submitted
