

Appropriations Sub-Committee Public Hearing February 22, 2013

To Whom It May Concern:

I am writing on behalf of Independence Northwest.

My name is Mylinda Foote, and I am so happy to have these wonderful people in my life. If it had not been for them, I would have been homeless. They fought very hard for me to keep my Section 8.

They were going to kick me off the Program because I missed an appointment, but they fought very hard for me and I hope to have their program around for a long time.

Other people need them also.
