Thanks to SEEC

As the Deputy Treasurer for the Pollard 2012 Campaign, district 144 - Stamford, I would like to thank Paige Adams and the technical staff for their tremendous support to me and Michael Pollard. As a first time participant in the CEP, I was overwhelmed with the requirements of the program. Thanks to the above, I was able to successfully learn and administer the program, but not without the constant support of Paige, the staff and technical assistance who even supported our campaign on weekends.

Thanks Very Much!
