Bill 6354

Committee Members:

I have served as campaign Treasurer for Senator Gayle Slossberg through five (5) election cycles.

Since the implementation of public financing, the reporting and disclosure requirements have become very extensive. During the campaign, I have had occasion to call upon our contact at SEEC on a weekly basis to inquire as to the propriety of contributions, expenses and how to report same.

Without the staff attorney assigned to our campaign, compliance would have hit-or-miss at best and often improper (illegal). Public Campaign Finance cannot exist without full staffing by competent administrators.

I urge you to fully fund the operations of the SEEC.
