Appropriations Committee Testimony  
Legislative Office Building, Room 2702  
Hartford, CT 06106-1591

To Whom It May Concern:

I feel like the STRIVE-New Haven, Inc. program is necessary for the continued development of skills, and job employment in my community. There are limited resources in the New England area. It would be a great disservice if the STRIVE-New Haven, Inc. program were to be discontinued.

I have completed the program myself, and have learned a great deal about the proper protocol when applying for a job. I appreciate having a resource center like STRIVE-New Haven, Inc. that I can visit for continued training and support.

Sincerely,
