Dear Governor Malloy,

My name is Ashley and I go to Middletown Adult Education in Middletown CT. My daughter and I participate in the Even Start Program. I hope you will consider funding even start again as it is a valuable program. I believe that this program is very important because it gives young mothers and fathers a chance to finish high school. This program is very helpful; it provides resources such as a diaper bank, free bus passes and clothing for children. Lastly this program has helped me with civil issues that I had.

Thank you for considering the needs of young parents in Connecticut,

Ashley Figuenick
