preserve tourism districts

RE: Public Hearing,
March 22, 2013

Dear Appropriations Committee:

For over 30 years the regional tourism districts have been a viable means of attracting tourism dollars to the state, giving local businesses and governments a direct voice, and providing a ready source of volunteers. The regional system was a good idea when the legislature initially enacted it, and it still has value and significant positive impact. Please preserve and adequately fund the regional tourism districts.

Thank you,
Vita Muir
