Testimony

SB 527 An Act Authorizing Bonds of the State for the Milford-Orange YMCA

Commerce Committee

Thursday February 14th

Dear Chairman LeBeau, Chairman Perone, and members of the Commerce Committee,

Thank you for allowing me this opportunity to provide you with my testimony in support of SB 527 AN ACT AUTHORIZING BONDS OF THE STATE FOR THE MILFORD-ORANGE YMCA.

Our Y serves 1000's of youth and families from Milford, Orange, Woodbridge and West Haven through the various programs that they offer. This proposal is to finish a 2nd floor area which will ensure the health and wellness of our families as well as creating critical early childhood education opportunities for our children. The construction phase alone will create approximately 56 jobs. Once complete this expansion will create 9 new full time jobs as well as create 40 additional part time positions. The Y has raised \$700,000.00 for this shovel ready project and I respectfully ask that you approve the additional funding requested.

Sincerely,
