## ***EDUCATION COMMITTEE***

March 15, 2013

The Connecticut Conference of Municipalities (CCM) is Connecticut's statewide association of towns and cities and the voice of local government - your partners in governing Connecticut. Our members represent over 92% of Connecticut's population. We appreciate the opportunity to testify on bills of interest to towns and cities.

### **HB 6624 "An Act Concerning Minor Revisions to the Education Statutes".**

Among other things, Section 9 of this bill would expand the pool of professionals available to local and regional boards of education for providing counseling services to children in the system.

CCM supports providing municipalities and their boards of education with as many options as possible to meet the needs of their residents and students.

CCM urges the committee to support Section 9 of this bill.
