

To Whom it May Concern,

I ask the committee to oppose the section of HB6357 which proposes adding the Healthy Foods Initiative as a new CIA funded program. I also ask that the Healthy Foods Initiative be funded as a stand-alone line item under the Department of Education budget.

I ask this because East Haddam, and many other small towns in CT, have benefited greatly from CIA funds.

Thank you for your time.

Hon. Peter T. Govert
