

Gentlemen,

As long as the certificates only apply to on-line hunting and on-line boating then it's fine. IF we are talking about REAL HUNTING and REAL BOATING, the REAL HANDS-ON CLASSES where people REALLY LEARN are THE ONLY WAY!!! On line courses enhance the HANDS-ON REAL LIFE courses. And they also refresh prior knowledge.

Real people, Real teaching, Real Life. What were you all thinking to even start a bill like this? Maybe Too much Booze? Extremely Sincerely, Gregory P. Battochi.

A REAL PERSON, WHO HAS MADE REAL IMPORTANT CONTRIBUTIONS TO THE USA BECAUSE OF ALL THE OTHER PEOPLE WHO HAVE DONE THE SAME, REGARDLESS OF THEIR OWN LIVES. And they are the middle class, the Heart of OUR COUNTRY!
