

Senator Edward Meyer, Representative Linda M. Gentile and the Environmental Committee concerning HR Bill #6541 - hearing on Friday March 8, 2013.

I opposed this bill and oppose allowing online courses in boater and hunter safety. I think that this regulation is being rushed. Online training can be good for some courses, but it wouldn't be good for "drivers ed" so therefore, it can't be good for "boaters ed" and training for hunters.

There are some aspects of learning that just cannot be taught through a computer, especially something as hands on as boating.

I STRONGLY opposed changing the regulations/laws regarding boating safety and hunter safety training at this time.

Thank you.

Sincerely,
Jackie Perrotta
