

**Senator Edward Meyer, Representative Linda M. Gentile and the Environmental
Committee
concerning HR Bill # 6541**

- hearing on Friday March 8, 2013.

**I OPPOSE THIS BILL AND OPPOSE ALLOWING ONLINE COURSES IN BOATER
AND HUNTER SAFETY.**

There are certain things that need to be taught face to face. We all realize we are in a money crunch. While it may save training costs, the cost of improperly trained people using our public waterways and handling firearms would out weigh any savings to the taxpayers. Please do us all a favor and do not allow this to happen. As an American citizen I hold very little faith in our so-called leaders these days so lets do something that makes sense and protects our citizens ability to receive proper training.

I STRONGLY oppose changing the regulations/laws regarding Boating Safety and Hunter Safety training at this time.

Respectfully,

John P. Sewak
