

To Whom it May Concern,

I am writing to you today to express my disapproval of the changes being proposed in the regulations/laws regarding boating and hunting safety training. As a life long boater and a family member of experienced hunters, I can attest... These are skills that simply CANNOT be taught online. These activities require hours of instruction from experienced individuals, with "hands on" training. It cannot be learned from an online environment.. The safety of all boaters and hunters hangs in the balance!

**I STRONGLY oppose changing the regulations/laws regarding Boating Safety and Hunter Safety training at this time.**

Thank you

Sincerely,

Sheri Halpin
