

I'm writing this email to confirm that I am a bow hunter and a believer in Sunday hunting. I support the SB915 and it would mean a great deal to me and my family if it were passed. To be able to hunt on Sunday means a great deal to me because I own a construction business and am forced to work all week by allowing Sunday hunting that would give me 4 more days a month to be able to hunt. Since I hunt with my son it would also effect my family by being able to spend more quality time together. Hope you see this opportunity the same way us bow hunters do. Thank you for your consideration.
