

For the Environment Committee, concerning HR Bill # 6541 - hearing on Friday March 8, 2013

I know that your committee is considering changing the law to allow a short on-line computer course to take the place of classroom-based safe boating courses. That's the change in the law that is also is going to allow on-line training for firearms. This is a really bad idea.
Please do not allow this new law to go into effect.
